# Collingham Climate Pledge

We can make a difference

Are you worried about climate change?

Are you concerned about the future?

You are not alone. We are going to get a group together – we are convinced that if we work together we can make a difference.

## Possible pledges

- Switch to green power – see [www.greenelectricity.org.uk](http://www.greenelectricity.org.uk)
- Buy a low energy lightbulb every time you replace an old bulb
- Reduce food waste – see [www.lovefoodhatewaste.com](http://www.lovefoodhatewaste.com)
- Say “No” to plastic carrier bags, carry your own long-life bag
- Reduce your car use – at least once a week use the bus, train, bike or walk instead
- Turn down your heating thermostat by 1°C
- Eat at least one meal each week made from locally produced food
- Recycle or preferably re-use packaging
- Use the recycling banks for all your glass, clothes, aluminium foil (**NEW**) and tetrapak cartons
- Turn off TV and hi-fi equipment at the wall – don't leave them on standby
- Use your kettle wisely – only heat the water you need
